

SANDERSON

ROCKWORK PROJECT AT CLUB MAHINDRA GOA

Sanderson Group has accomplished yet another milestone by successfully executing a **Design & Build Rockwork project**. It was a challenging project for one of India's most prestigious **Industrial Houses, Mahindra Group** and this **Themed Resort** is located in North Goa.

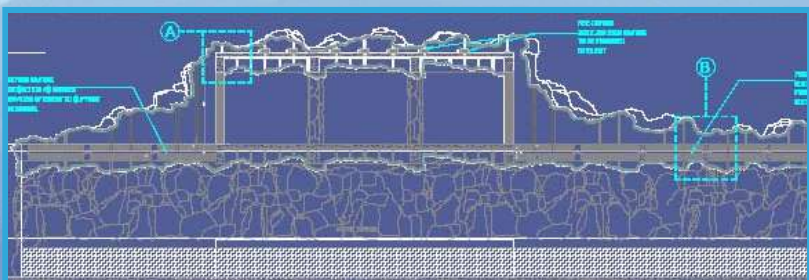

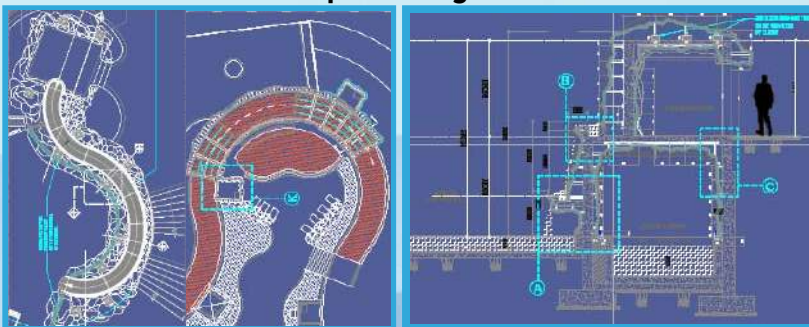

Dudhsagar Mountains

The client gave us the vision of introducing Rock art architecture inspired from **Dudhsagar Mountains** and through the design development Process, The Rockwork Facade evolved into its current Constructed Form.

Scaled Physical Model

Shop Drawing

Mock Ups

Our Scope includes making a **Scaled Physical Model**, **Design development**, **Mock Ups**, **First article Themed Artwork** and **OnSite MEP** co-ordination and eventual handover for operations to Client.

First Article

Themed Rockwork

The unique design of the rockwork leads into a themed **tunnel of 25 meters** long, surrounded by a **lazy river** with its articulate **carving** and a **beautiful juxtaposition of earthy colors** additionally graced by a **waterfall** giving it an almost ethereal feeling and extends itself with **Natural Rockwork style** .

Handover To Client

There is **Family Water slide** originating from the **Rock Work Façade** and making its way into the lazy river , enhancing the Guest experience of being in a natural environment within a Themed Resort.
